We understand that it is against the rules for anyone other than the team members to design, build or present the long-term problem solution.

We realize that we may get interested in various areas of design and construction or in performance techniques, but know that these instructions may not be specific to the long-term problem solution. By signing below, we verify that we have followed all of the rules regarding outside assistance. If there are any exceptions, we have listed those.

WE HAD HELP WITH: (Please describe any assistance with your specific problem solution if you had any. State NONE if no assistance was received. Also, please list names of former team members no longer on your team if the roster exceeds seven) and when they last worked with the team.
