

## **PRIMARY TEAMS CHANCE TO PERFORM AT STATE**

Primary Teams are giving the choice of participating in a lottery to be selected to represent Space Coast at Florida Odyssey of the Mind State Tournament. To qualify teams must have no more than 7 members.

Teams will perform before a team of judges, just like at Regionals and receive feedback on their performance. They also go to spontaneous, just like all the competitive teams. State Tournament is held at University of Central Florida on April 14<sup>th</sup>. During the afternoon an “Omer Fest” party is held in front of the basketball arena. Omer may even be there! There is a state tournament registration fee for Primary teams of \$20.

When the team checks in to the Staging Area the judge will ask if you are willing to take the team to State Tournament. You should be prepared to answer.

- First decide if you are willing.
- Then check with the parents of team members to ensure availability.
- It is up to you if you share with your team. Remember it is a lottery.
